Description

The ETC department is delighted to present to you HARDWIRED!

HARDWIRED is an **exhibition cum competition** to test the creativity and technical knowledge of the participants. This is where all students that like to experiment and come up with a variety of projects be it using micro controllers, analogue digital or any other idea, get a chance to showcase their talents. The competition is only of one round and each team has to present their project with a demonstration and an explanation. This competition is open for all BE/BTECH students from various colleges in Goa.

So all you students that have an idea of a project that you want to exhibit and display to the others, register for Hardwired and come on over to PCCE!!

Rules and Guide lines:

1. Only students with a valid college ID card will be allowed to participate in the competition and are required to verify the same on the day of the event.
2. Each student can ONLY be part of ONE team.
3. A team can have a maximum of five members.
4. A/C mains line will be provided if necessary. No other equipment (CRO/DSO, Function Generator, Computer System) will be provided.
5. Participants are responsible for their own belongings.
6. Project work should be the handiwork of the participants (i.e. Not readymade).
7. Each team will be given maximum 4 minutes to brief the Judges about their project which will be followed by Q & A by the judges. The participants may use posters, chart paper drawings etc. to aid in the explanation of the project.
8. Any member of a team found indulging in un-acceptable behaviour will attract disqualification for the entire team.
9. Decisions of the judges/coordinators are final.
10. Judges/Coordinators hold the right to change the rules and guide lines without prior notification.
11. Failure to comply with the above mentioned rules will result in disqualification of the team.

Details of The event.

The event consists of **one** round.

TIME AND VENUE WILL BE NOTIFIED LATER.

Day1 – 30th September 2014:

Judging Criteria:

The participants will be judged upon the following:

1. Originality and Uniqueness of the project.
2. Knowledge of the project concepts by the participants.
3. Efforts taken by the participants for all round design/Complexity of the project.
4. Presentation of the project.
